Chemicals Powering Innovation & Shaping Daily Life

Chemicals play a crucial role in the products we use daily and have been key to some of the world's most significant discoveries. For the past 8 years, Aashi Chem has dedicated itself to sourcing and supplying these essential 'building blocks of the future.'

Founded in 2016, Aashi Chem has become a global leader in chemical distribution, offering over 200 products and partnering with a diverse range of suppliers. Our innovative approach has allowed us to provide specialized solutions to more than 2,000 customers across various industries. With a strong focus on safety and sustainability, we continue to set new standards for entrepreneurial integrity and forward-thinking.

MISSION

Be a trusted chemical source, Set benchmarks. Offer cost-efficient solutions. Prioritize ethics. Continuously improve

VISION

Lead globally in commerce & knowledge. Foster relationships & innovation for growth and profit.

CORE VALUES

We balance growth and ethics with values of dignity, empowerment, honesty & responsibility guiding our progress & planet care.

KEY PRINCIPLES FOR EXCEPTIONAL SERVICE

KNOWLEDGE

We harness innovation to create new opportunities for our customers.

ADAPTABILITY

Our solutions are uniquely tailored to align with emerging market trends.

TIMELINESS

We plan proactively to avoid contingencies & guarantee timely delivery.

VALUE ADDITION

We provide exceptional services that extend beyond mere business transactions.

COST-EFFICIENCY

We enhance processes to ensure our customers benefit from competitive costs.

TRANSPARENCY

We maintain open communication to build trust and ensure clarity in all our dealings.
